

ANOTHER FUNNY STORY

WELL, WELL, WELL, IT HAS HAPPENED. FOR THE FIRST TIME THE WHITE HOUSE HAS DECLARED WAR ON THE LEADING NEWS NET WORK. That should explain what simple minded politicians Americans elect to National office. The right to free speech is guaranteed by the Federal constitution. The President is supposed to have been taught constitutional law in law school. Maybe I am wrong about that, interested parties should contact the White House and inquire what the Lawyer Obama slept through and which He studied. There were so much “free” minority grants He might have gotten one of those that guaranteed a diploma after four years in College. Maybe the “Tea Party” folks or Fox will check out how much “work” He did for His diploma.
